Welcome ladies and gentlemen to The Radioplay Hour where we will be re-enacting *Candy Matson and the Cable Car Murder*, with our special guests **Auras like Auroras..**

In this episode you will hear Giles Pendlebury interview our guest, before they lend their vocals to our production, and debut their song, "**Blue like the Blue Sky**". They will also perform a cover of "**Stop dragging my heart around**" originally written by Tom Petty and Stevie Nicks

*For more information about Auras like Auroras follow them on Instagram on @auraslikeauroras*

## Vocal Cast:

**Bailey Seymour Smith** as *Announcer and additional voices*

**The Drama Merchant** as *your host.*

**Kent lee** as *Giles Pendlebury & additional voices.*

**Peta Simeon** as *Candy Matson*

**Seanny Millar** as *Detective Mallard / Roger Ellsworth / additional voices*

**Cat Deller** as *Mrs Ellsworth & Rembrandt Watson*

## Synopsis:

When a man riding next to Candy Matson on a cable car is silently shot and killed, Candy does not know him from Adam and is considered a suspect! The only thing for her to do is to investigate herself!

A progressive wisecracking private investigator operating in a male dominated world, Candy Matson was the brainchild of writer, director, and producer Monte Masters.

## Production:

Recorded at Motetstudios  
Directed and produced  
by Nathan Schulz - The Drama Merchant  
Live sound effects created and designed by  
Nathan Schulz - The Drama Merchant

**Run Time: 45min**
